INDICATIVE TRACKS

The tracks for the conference focus on various issues of economics and finance in the context of changing globalisation narratives.

Contributions are encouraged but are not limited to the areas of Macroeconomic and Trade Policy, Evolving Geo-Political Scenario, Environmental and Natural Resources Issues, Globalisation and Changing investment Strategies, Evolving Financial Reporting Practices, Microfinance, Financial Literacy, Financial Risk Management, etc. For detailed list of tracks, please visit our website.

CALL FOR PAPERS

SVKM'S NMIMS, Bangalore Campus is hosting the International Conference on Economics and Finance, 2019 (ICEF2019) in association with The Indian Econometric Society. The conference is scheduled for February 9th and 10th, 2019 at the NMIMS', School for Business Management located in Kalkere, Bangalore.

The conference theme, "Economics and Finance in the Globalized World: The Dilemmas", will attempt to evaluate how the policies promoting globalization have made economies interdependent and how the benefits and ills are transmitted across economies.
