

COMMONWEALTH-AMDISA REGIONAL DOCTORAL AND POST-DOCTORAL PROGRAMME

The Governance and Institutional Development Division of the Commonwealth Secretariat has sponsored the above Fellowship Programme during 2003 to 2008.

The specific objective of the Programme has been to provide financial and academic-institutional assistance to South Asian Ph.D. scholars and younger employed academics with Ph.D. for undertaking internationally publishable quality research, based on original inter-country comparative studies in emerging areas of management and/or related social sciences and other disciplines. It has facilitated field work by selected Fellows in two to four regional countries.

The broader goal has been to contribute to the development of South Asian perspectives, networks and communities in management and related areas.

Under this Programme, eight Fellowships have been awarded, as shown in the Table below:
