

Dear Sir/Madam,

Greetings from the Indian Institute of Forest Management!

We are pleased to inform you that an International conference on “**Multi-Disciplinary Approach towards Sustainable Development: Role of Academicians, Corporate, Civil Societies and Citizens**” is being organized at IIFM, **Bhopal on 21st and 22nd February, 2019.**

IIFM is an Autonomous Institute under the Ministry of Environment, Forest & Climate Change, Government of India. The institute plays crucial role in knowledge generation and dissemination for sustainable development. With the worldwide recognition for achieving triple bottom line (Profit, People and Planet) and emphasis towards achieving Sustainable Development Goals, it is required that people from academics, corporate, civil society, individual should come forward to discuss the strategic ideas for economic development without any negative impact on climate, that bring prosperity for all, and remove poverty, hunger etc.

IIFM cordially invites professionals from the Corporate, Academia/ Policy maker's/ Research scholars/ Civil society to present their conceptual/ research paper/ practice paper/ cases on this globally important topic. All the abstracts of the registered authors will be published in the conference proceedings and full papers will be considered for publication in edited book.

Last date for submission of abstract is **2nd November, 2018.** Kindly send it at conference@iifm.ac.in, dharmendrah@iifm.ac.in. For more details, brochure is attached with the mail. It can also be downloaded from <http://iifm.ac.in/wp-content/uploads/iifm-ars2019.pdf>

Block your dates to spend time in the beautiful city and be a part of the great movement.

With regards

Jayashree Dubey, Faculty (Marketing Management)
