**International Conference On** 

# ESG ENVIRONMENTAL SOCIAL & GOVERNANCE

Bengaluru, 27<sup>th</sup> and 28<sup>th</sup> June, 2023

Sustainable business practices of industries are critical in meeting the global and country specific climate targets, and Sustainable Development Goals. Industries in India are being engaged in ESG practices; in the context of national commitments to sustainability and the required need for transparency in ESG disclosure, and protection of investors' interest there was a felt need for an effective regulatory mechanism. The broad impact of ESG practices with the changing regulatory measures and readiness of industries requires an open dialogue between the Industry and the Government, it also calls for an objective understanding from the Academic point of view.

## Who can Participate?

Academicians Domain Experts

Research Scholars
NGOs Engaged in ESG Promotion

Educationists Policy Makers

# **Objectives**

- To provide an open dialogue and research platform for diverse stakeholders of ESG in India discussing on some of the above issues.
- To provide a platform for productive engagement of stakeholders of ESG.

# Pre-conference workshop

A pre-conference workshop will be conducted for MSMEs and industry delegates on ESG Regulations.

## **Call for Papers**

The two-day International Conference invites research papers from the stakeholders and experts from academia and industry at national and international level. The authors are invited to submit original, unpublished (not simultaneously submitted to another journal or conference) Research papers, Case Studies, Best Practices and Implementation strategies on the related Themes and Sub-themes. Domain experts will subject the submitted papers to blind review and only the selected papers will be considered for presentation during the conference. Further the selected papers may be considered for publication in UGC Care/Scopus Journals with applicable publication charges.

## Themes and Sub-themes
